

Information on the participation and data privacy

Your privacy is important to EUFIC and the MicrobiomeSupport Consortium (<https://www.microbiomesupport.eu/project-partners/>). This policy describes the types of personal information EUFIC may collect from you, the purposes for which we use the information, the circumstances in which we may share the information and the steps that we take to safeguard the information to protect your privacy.

The personal data we collect and why

In the online registration form, we collect your contact/affiliation data for the purpose of registering you for the defined meeting and/or workshop. This data will be stored until the completion of the MicrobiomeSupport project.

During meetings/workshops you will be photographed/filmed/recorded. The photos/recordings may be used in both printed and digital form, in various channels where EUFIC and MicrobiomeSupport Consortium disseminate information about their activities. If you do not want to be photographed/filmed/recorded, please notify the photographer, an EUFIC employee or a member of the MicrobiomeSupport Consortium so that we can respect your choice. The images/recordings will be used for a maximum of 5 years.

Use and disclosure of your personal data

We will use the personal information provided in the registration form to process your registration, communicate with you and obtain your feedback regarding the conference. In doing so, your information may be transferred among project partners (within countries that provide an adequate level of data protection) and exchanged with the European Commission (for the accounting purposes only).

Your Rights

You have the right to obtain information about the personal data stored about you. You also have the right to demand the rectification or erasure of the data. The General Data Protection Regulation also gives you the right to demand the restriction of the processing of your data under certain circumstances and the right to data portability. You also have the right to object to the processing of your data. If your data are processed on the basis of your consent, you may withdraw this consent at any time. The withdrawal of consent shall not affect the lawfulness of processing based on consent before its withdrawal. If you are of the opinion that the processing of your data violates data protection laws you may lodge a complaint with the Data Protection Authority (www.dsb.gv.at). If you wish to exercise your rights, please contact us at info@microbiomesupport.eu.

Controlling your personal data contact details and further information Information about your privacy rights as well as the contact details of EUFIC's Data Protection Officer can be found at www.eufic.org's WEBPAGE. Contact person for any questions related to the workshop and registration process: Rieke Sproten at rieke.sproten@eufic.org.
